For Tax Professionals

Over the last 40 years AMIKids has seen major changes in the portion of the tax code that addresses Charitable Giving. In each instance, AMIKids has adapted rapidly to both the spirit and the specifics of the law. In fact, to ensure the safety of the donor and donation, AMIKids will typically go above and beyond the requirements stated in IRS publications 561 and 526, as-well-as the FASB 13 guidelines. **We have facilitated more than 6,000 boat & yacht donations over the years with an unblemished record of success.**

Our staff will work with you to structure a donation that fits the needs of the owner including offshore closings, trusts, complicated estates and foreign corporations.

“The one thing consistent over all these years, is that without a question, AMI's integrity and program are the best for the donor and the longevity is the program.”

Bill Sanderson, Palm Beach Global Yachts
