**Service Coordinator**

Eastern & Southern Regions

Virginia Department of Juvenile Justice

# Who is AMikids?

AMikids is a family of 45 affiliates serving at-risk youth in 10 states, coordinated by an administrative headquarters in Tampa, Florida.

The Virginia Department of Juvenile Justice contracts with AMikids to coordinate a continuum of services for youth in the Eastern and Southern Regions of the Commonwealth.

AMikids contracts with Direct Service Providers for DJJ as of January 1, 2017. As part of an ongoing effort to "Reduce, Reform, and Replace", we are developing and managing a centralized referrals process, collecting outcomes data, assisting with quality assurance and program fidelity, identifying and filling service gaps, and providing training in Evidence Based Practices.
